About Us

Introduction

SURICH INDUSTRIES LLP established in 2023 is a professionally managed company specializing in the manufacturing of high quality sheet metal fabrication parts and precision machining components.

Our expertise spans a wide array of industries with a focus on producing durable welded assemblies, executing large scale car parking projects, and engaging in PEB projects. Committed to excellence, we cater to the automobile and other industries, delivering customized heavy fabrication work and precisely machined components that meet the rigorous standards of modern manufacturing.

At SURICH INDUSTRIES LLP, we pride ourselves on innovation, quality, and precision to support our clients' varied manufacturing needs.

Mission, Vision & Advantage

MISSION

- We just don't deliver service, but with customer satisfaction, SILLP is committed for high-level of satisfaction. Our aim is to make everything available under one roof to deliver our best.
- "Let's grow together" makes all the difference.

VISION

- We endeavor to reach the position where we can be close associates of customers.
- We believe on our employees through whom we will be able to achieve customer satisfaction.
- We commit ourselves to continuous growth, so as to fulfill the requirements of our customers and employees.

ADVANTAGE

- Our facility is located in the vicinity of Industrial area of Pune like Bhosari, Pimpri, Chinchwad, Talegaon, Pirangut, Sanaswadi, chakan, Ranjangaonetc.
- our region is the biggest auto hub of India and apart from auto units there are manufactures of heavy machineries and equipments, boilers, crane and general fabrications.

Manufacturing Facility

Fabrication Shop

▶ CO2 Welding Machine

1. 400 amp-(04 nos)
2. 500 amp-(05 nos)
3. 600 amp-(02 nos)

▶ ARC Welding Machine

1. 200 amp-(01 nos)
2. 400 amp-(01 nos)

▶ TIG Welding Machine

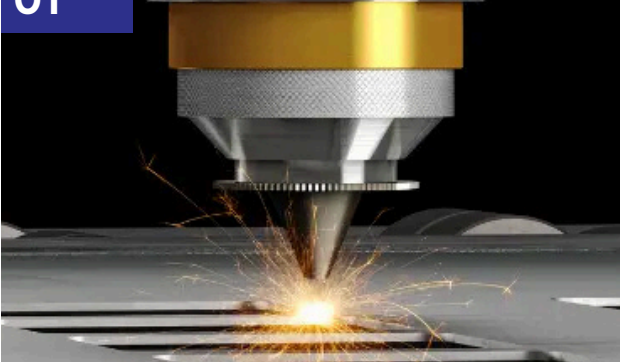

1. 200amp-(01 nos)
2. 160amp-(01 nos)

▶ SAW Welding Machine

1. 1200 amp-(3 nos)
2. LT LINE 15 m
3. Oven 200 Degree

Cutting Shop

01

CNC Laser Cutting Machine (BODOR)

2.5 mtr x 8 mtr 12 kw (Upto 40 mm thk ms)

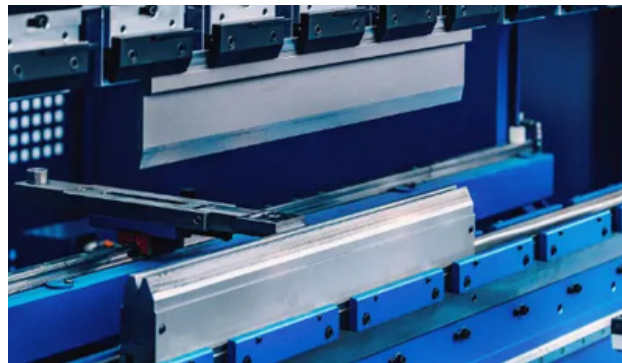

02

NC Shearing Machine (MG Jigson)

2.5 mtr x 8 mtr 12 kw (Upto 40 mm thk ms)

Press Brake Shop

CNC Press Brake Machine (ADH)

4 mtr X 600 ton upto 20 mm thickness

Machine Shop

01

Plano Milling

5000 x 1500 x 1000

02

Milling Machine

1200 x 400 x 400

03

VMC

1500 x 800 x 600

04

VMC

2000 x 800 x 800
